MEMORANDUM

TO: File

FROM: S. Murphy, Engineer  
Inactive Hazardous Sites Branch

DATE: April 30, 2015

SUBJECT: Contemporary Art Museum, NONCD0002875  
Raleigh, Wake County

This site was reviewed based on potential impacts to nearby water supply wells and to future site uses. The site has been developed under a Brownfields Agreement, and recorded Land Use Restrictions are in place. The site has a public water supply, as do surrounding properties. Therefore, the site will be ranked as a lower priority.
